

Passenger Instructions For Using the New Fare Boxes:

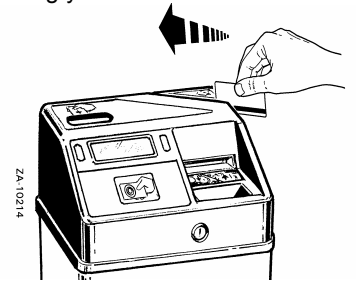

- ❑ Please have fare ready when boarding bus.
- ❑ Try to use exact change.
- ❑ Insert *only* the designated fare type into its proper opening. (For example, do **NOT** put coins in the Electronic Fare Card Slot.)
- ❑ If a fare payment is rejected, the fare box warbles and the passenger display indicates status (*invalid*). Then pay fare with another fare type.
- ❑ After paying your fare, listen for a beep and check the Passenger Display, this indicates a full fare is paid.
- ❑ Check the Passenger Display for important messages. You may be required to respond by pressing buttons on the sides of the display.

Paying Fares

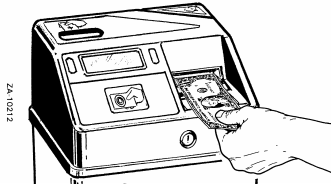

Drop either coins or tokens **one at a time** in the Coin/Token Insertion Cup.

Swipe **designated electronic fare cards** through the swipe reader in the direction of the arrow with the magnetic stripe facing you.

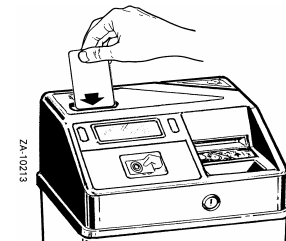

Feed flat, unfolded **bills** (in any orientation) into the Bill Insertion Slot.

Request a Transfer or Day Pass

Ask the driver to issue a **transfer** or **day pass** before paying fare. If the Passenger Display states additional money is needed, insert more money. Remove transfer from the Slot.

Insert **electronic fare cards** in the Electronic Fare Card Slot.

Damaged Coins & Tokens

The Passenger Display tells you to retrieve your **rejected coins** and **tokens** from the Coin/Token Return Cup.
