Schedules are subject to change without notice. Times are approximate and vary depending on traffic conditions, weather and other conditions.

- Route 31 is a new type of service called route deviation.
- The bus follows a schedule like a regular route and includes an area map with departure/arrival times. You can wait at one of our convenient bus stops along the route and hop aboard to enjoy a stress free ride. But this service also picks up people who don't live right on the route.
- Route 31 can serve destinations within the flex zone. All you have to do is schedule your trip at least one day in advance with our customer service agents at (803) 255-7123. Let us know your pickup point and time.
- We will take fixed-route customers to the connection protection zone at Koon & Cody to make connections with the 101 or route 32; paratransit customers can transfer there to a DART van.
- Our customer service representatives will let you know when you'll be picked up.
- Reservations should be made at least one day in advance and are provided on a first come first served basis.
- Remember to be at your pickup location on time so we can keep the bus on schedule.
- Look over the times and map on this schedule to find the times best suited to your schedule.
- Pick-ups and drop-offs in the Eau Claire Community are available by calling ahead at least one hour before the service is needed.
